Student Health and Safety Protocol for Courses in
William C Stringer (WCS) 245

Enter traffic pattern for students
- Please wait, socially distanced, in the upstairs foyer near the North & South doors.
- Wait for previous class to dismiss before approaching the entry door.
- Enter the South (only) door to Room 245 located at midpoint in hallway east of the foyer (see floor plan below).
- Fill the room from the back to front.

Exit Traffic pattern for students
- Exit from the front to back.
- Depart towards the East stairwell (unless ADA elevator is required).

Access
- North & South doors of the building open at 7:30 am and lock at 5:00 pm.

Emergency information and procedures will be provided by your instructor.
