Student Health and Safety Protocol for Courses in ABNR 121 (capacity 19) & ABNR 123 (capacity 24)

Enter traffic pattern for students
- Enter the building from the East Lobby.
- Please wait, socially distanced, outside of the East Lobby entrance, ABNR courtyard, or mid-hallway entrance.
- Once in classroom hallway, walk on the side of the direction you are going, hugging the wall. Avoid the center of the hallway unless walking around someone.
- Wait for previous class to dismiss before approaching the entry door.
- Enter the room from the South “enter” door.
- Fill the room from the back to front, beginning with far North wall.

Exit traffic pattern for students
- Clear/leave classroom once class is finished.
- Exit the room from the North “exit” door, beginning with the far North wall.
- Exit the building through the North exit.

Access
- Building doors open at 7:00 am and lock at 6:00 pm.

Emergency information and procedures will be provided by your instructor.
