Student Health and Safety Protocol for Courses in
Gentry Hall 113

Enter traffic pattern for students
- Enter Gentry Hall through the West-facing courtyard door.
- Please wait, socially distanced, in the 115 Gentry conference room.
- Wait for previous class to dismiss before approaching the entry door.
- Enter through the North door and through the storage room between 113 and 115 (see floor plan below).
- Fill the room from back to front.

Exit traffic pattern for students
- Exit from front to back.
- Exit through the South-facing door leading directly to the courtyard outside.

Access
- Building doors open at 7:30 am and lock at 5:00 pm. The South-facing exit door will remain locked throughout the day.

Emergency information and procedures will be provided by your instructor.
